This is our schedule as of August 1, 2022. Please note that there may be changes to the schedule.

In accordance with guidelines from the state and county, we ask that all of our students and their families wear a properly fitted mask in the building at all times. We are currently offering most classes onsite as well as by Zoom.

★ **These classes are on-site only and do not have a Zoom option.**

All students, onsite or Zoom, must register in advance with the office.

Please note that students must arrive on time for their class (which means a bit early to accommodate hand-sanitizing and temperature screening). Late students will not be admitted once the class has begun.

Also, please note that our bathrooms are only available to our students, but we ask dancers to be mindful about only using them if absolutely necessary. Be sure to go at home before coming to class. (Sorry, our lobby is still closed, so non-dancing family members will not be allowed in to the Dance Workshop facility, even for the restroom).
