

Have you ever wanted your child to experience the art of dance but finances made that challenging?

Scholarships available for students ages 6 and older

At the Pamela Trokanski Dance Theatre, we believe in dance and multiple art forms as tools for physical and mental well-being, academic enrichment, and to support a thriving and connected community.

As part of our outreach program, this scholarship aims to bring dance to under-served members of the community by providing financial support towards classes at the Dance Workshop, where scholarship recipients may explore the experience of dance, and potentially work with one of the four companies under the PTDT umbrella, train to teach dance, or both.

For those who are career-focused, it seeks to support those who are considering dance as a professional career, including teaching and performance work, providing the training necessary for their future growth.

Interested community members are invited to apply for the first round of scholarships that will begin in January, 2024. Please contact office@trokanski.com or (530)756-3949 for an application form.
